

Benchmark Inventory & Records Producer-Certification Worksheet

OTHER LAND

To CSP Applicant: _____ (Applicant Name)

To be eligible for the higher level of CSP (Tier III), other lands must also meet program requirements. Other lands include livestock feeding and handling areas. If you are interested in applying for the higher level of CSP, please complete the following questions.

1. Are my livestock feeding and handling facilities in compliance with KDHE permit requirements? Yes or No
2. Have I completed the "Significant Potential to Pollute Evaluation"? Yes or No
3. If my answer to question 2 is yes, was my score less than 60? Yes or No
4. Is the wellhead location appropriate and are protection components in place for all potential sources of contamination?
 - Sanitary well cap, tightly secured with a screen vent
 - Pitless adaptor
 - Surface runoff cannot reach the area immediately surrounding the well
 - Others
4. Is your well cased?
5. Does the well casing extend above ground (meets state standards)?
6. Is the well located a safe distance from the fertilizer / pesticide storage site and or mixing / loading areas?
7. If the fertilizer / pesticide storage site is located on sandy soils, is there a secondary confinement?

9. Are used pesticide containers properly disposed of?

[illegible]

The above information is correct to the best of my knowledge. I understand that if requested, I can provide documentation to support the information provided above.
